NURSERY

Melina's Summer programme will run from June 18th until July 20th. Students 2 ½ - 5 will have the opportunity to spend five weeks filled with both fun and educational activities. Our daily programme will run from 9:00am – 3:00pm. An enthusiastic group of teachers, drawn from our faculty have created an enriching programme in an inspiring and safe environment.

Every week the Nursery students will explore a new theme; "*The Sun in the Sky, Water Fun, Bubbles and Balloons, Travelling and Summer Fun and Ice Cream.*" Special days have been arranged during the course of the programme. On Wednesdays we will have our "color" days. On those days we encourage the students to wear something red, yellow, green, orange or blue depending on the week. **Kinder-Cooking Activities** and *Water Games* will take place on Thursdays". On Fridays, the children will illustrate and act out the story of the day.

Come and join the Summer Fun at Melina's Kindergarten!
