ANNOUNCEMENT OF SAT PREPARATION COURSE

Dear Parents and students,

We are pleased to announce that, once again, the school has organized an SAT preparation course for students who will need to take the SAT as a University admission requirement.

The SAT is an exam that is frequently an admission requirement for entry to U.S. Universities. The SAT is comprised of sections on critical reading, writing and math. It is an exam which requires systematic preparation and practice to build the relevant skills. This preparation is usually carried out during 10th and 11th grade and the exam is usually taken in 11th grade and in the early months of 12th grade. You may read more about the exam on www.collegeboard.org

The students will attend 9 sessions in each of the following (total 36 hours):

- Math classes on Tuesdays 4pm-6pm, which will be taught by Mr. Petros Bregiannis.
- English classes on Thursdays 4pm-6pm, which will be taught by Mr. William Papatassos.

The course will begin **Tuesday October 10th, 2017** and will be completed **Thursday, December 7th, 2017**.

The cost for the course is 500 euros and this fee must be prepaid to the Business office. The course is open to students of all schools, so you are welcome to spread the word, and it will be offered based on sufficient demand. To register please inform Ms Lea Pateras before **October 2nd, 2017**.
