

**Hi! I am Templeton the rat!**

**I love feasting! You shouldn't worry about me. My stomach can handle anything.**

**I also like collecting various things. You never know when they will come in handy!**

**Hi! I am Wilbur the pig!**

**I just want to be around friends who love me.**

**I'm really playful and full of energy. I don't want to die. I don't want people to make me ham. I want to live!**

**Hi ! I'm Charlotte the spider!**

**I'm patient and hard-working. I weave my web and in that way I catch insects to eat.**

**I also want to help Wilbur live because he is a true friend of mine.**
