Melina's Summer Program will run from June 22nd until July 23rd. Students 2 ½ - 5 will have the opportunity to spend five weeks filled with both fun and educational activities. Our daily program will run from 9:00am – 2:30pm. An enthusiastic group of teachers, drawn from our faculty have created an enriching program in an inspiring and safe environment.

Pre-Kindergarten and Kindergarten

Every week the Pre-Kindergarten and Kindergarten students will focus on “*A Famous Artist*”. They will inquire into the life of each artist and will create a piece of art following a specific technique. Special days have been arranged on Fridays. During the course of the Summer Programme we will offer two optional activities, Swimming and STEAM (**S**cience, **T**echnology, **E**ngineering, **A**rts, **M**athematics).

Come and join the fun at Melina's Kindergarten!
