

# THE IMPACT OF SARS-COV-2 ON GLOBAL POVERTY

**The coronavirus outbreak has claimed  
the lives of more than 184.000  
worldwide**

*COVID-19 will reshape our world.  
We don't yet know when the crisis will end.  
But we can be sure that by the time it does,  
our world will look very different.*

**HER NAME WAS JAMLO MADKAM....  
THE ONLY CHILD OF ANDORAM AND  
SUKAMATI MADKAM, WHO HARDLY  
SURVIVE ON THE FOREST PRODUCE  
THEY COLLECT**

- She was just 12. A daily wage earner that extreme poverty pushed her to work in the Indian state of Telangana. On April 18 young Jamlo died, after she had lost her job during India's COVID-19 lockdown.
- The extensions of the lockdown meant no job, more days without food...
- She and 12 other migrant workers decided to return home on foot, from Telangana where they worked.
- Jamlo's 100km journey ended in death due to electrolyte imbalance and exhaustion. She was merely 11 km from home.
