

Important Information for our ISA students

The books and supplies for the new academic year 2021-22 will be available from mid July with the exception of US textbooks which will be delivered later.

All our customers will be notified when their order is fully complete (or otherwise instructed). We are doing our best to ensure delivery before the beginning of the new academic year, but we cannot be held responsible for any delays due to books reprinting, local lockdowns due to the pandemic or export declarations procedures due to Brexit.

We apologize in advance of any inconvenience this may cause.
