

ISA SUMMER PROGRAMME 2022 JUNE 20th – JULY 22nd

Come and join "Our Trip around the World in Five Weeks" at ISA!

The ISA Summer Programme will run from June 20th to July 22nd and is designed for both English and Non-English speakers. The students are placed according to age level.

This Year's theme is "**A Trip around the World in Five Weeks.**"

An enthusiastic group of teachers have created an enriching programme to facilitate the students in building their knowledge of the English language as well as their confidence in speaking, writing, listening and reading.

The weekly schedule includes Language Arts, Computers, Drama, Gross Motor Activities, Sports and Arts and Crafts. The athletics department is responsible for organizing group sports such as basketball, volleyball, soccer, table tennis etc. The schedule allows also for a weekly beach trip.

Fridays will be special days; beginning with Art and Sports activities on the campus on the first Friday of the programme. For the second, third and fourth week, field trips to OAKA and Adventure Park have been scheduled. At OAKA the students will have the opportunity to participate in a variety of sports activities. Adventure Park is a recreational area in the forest where activities associated with nature are organized. On the last day of the program, Friday July 22nd, the teachers will organize a Fun Day with water games at school followed by a talent show.
