Melina's Summer Programme will run from June 20th until July 22nd. Our Nursery students will have the opportunity to spend five weeks filled with both fun and educational activities. Our daily programme will run from 9:00am to 2:30pm. An enthusiastic group of teachers, have created an enriching programme in an inspiring and safe environment.

Every week the Nursery students will focus on a different Theme; *"Summer, Building, Mini-Beasts, Fish, Water Fun & Bubbles."* Special days have been arranged during the course of the programme. On Wednesdays we will have our "COLOR" days. On those days, we encourage the students to wear something yellow, red, green, blue and orange depending on the week. The children will have Arts and Crafts activities as well as puppet theatre, role play etc. related to the topic of the week. Every Thursday, the Nursery students will spend some time in our kitchen where they will have the opportunity to "Kinder-Cook". Water Games will take place during the course of the programme.
